

## **Assignment 1**

You don't have to write up this assignment; but be prepared to give a short summarize of your results.

1. Examine Adam's use of the definite and indefinite determiners (i.e. the + a(n)) between 2;3 and 2;6.
2. Examine Adam's use of 'have' between 2;3 and 2;6. Does he use 'have' primarily as main verb (i.e. verb of possession) or as an auxiliary?
3. Determines Peter's MLU at age 2;0 and at age 3;0
4. Determine the type-token frequency of Peter's speech at age 2;5.
